

HOW TO MAKE PAVEMENT PAINT

What you need:

- ✚ Cornstarch
- ✚ Food Colouring
- ✚ Water
- ✚ Muffin tin (or empty yoghurt pots)
- ✚ Paintbrush

What to do:

Method:

- In a bowl mix water and cornstarch together until you get a paint consistency.
- Pour into tray (this will be white) and add in food colouring.
- Paint!

Tip: This will wash away with water.
